

What are the coordinates of the southwest corner of the northwest building?

1. N 10,600, E 10,800
2. N 10,640, E 10,560
3. N 10,800, E 10,600
4. N 10,800, E 10,800

**Answer:** #3 N 10800, E 10,600

From inspection of the plan, the easting of the corner is E 10,600 and the northing is N 10,800
