

Geomatics Specialist – Blue Ridge Environmental Consultants, PA (Wilkesboro, NC)

BREC, a full service professional engineering surveying, and land planning firm is seeking a talented individual to work as a geomatics specialist and occasionally provide field support to the existing crew.

Responsibilities include, but are not limited to:

- Preparation of cadastral, existing conditions, and subdivision maps from field and office data using AutoCAD Civil Series software
- Research of legal records
- GPS control surveys
- Working closely in collaboration with a dynamic team of experienced professionals
- Quality control
- Perform construction stakeout and associated preliminary topographic survey, boundary, ALTA and construction surveys for public and private clients
- Operate and maintain various surveying instruments to measure and verify elevations, angles and distances
- Perform mathematical calculations to establish and locate reference points, property corners, vertical and horizontal reference points and line staking for projects
- Interpret maps, plats, blueprints and specifications
- Clean, check and adjust survey instruments to assure accuracy of measurements.
- Oversee surveying activities in the absence of Survey Party Chief

Requirements:

- Valid driver's license, with acceptable driving record
- PLS or SIT is required
- Minimum of 1 years of Civil 3D Experience Required
- 1-3 years of survey instrument operation or related experience involving the accurate and precise measurement of land areas, boundaries and topographical features using optical electronic measuring devices
- Practical knowledge of land and construction survey methods and procedures
- Minimum 1-5 years drafting/surveying experience
- BS or AAS in Surveying/GPS experience a plus
- Must be able to pass a drug screen, background check

Benefits include a competitive salary, health insurance, IRA with employer Match, and bonus system to reward great performance. This position is subject to outside environmental conditions. Please send resume to Derek at derek@brec.biz
